ABOUT THE TRUST

Established in 1988, the Yorkshire Historic Churches Trust provides much needed funds for repairs and maintenance for churches, chapels and meeting houses of all Christian denomination within the country of Yorkshire. With over 2000 churches in the county, the need to maintain these precious places of worship is ever increasing.

Thanks to our friends, donors and sponsors, we have awarded almost £3m to more than 800 churches, with, on average £100,000 distributed each year.

BUT WE NEED MORE HELP!

For less than £1 a week, you can become a friend of the Trust and help secure the future of Yorkshire's churches. You will be joining a group of like minded people, passionate about preserving and maintaining places of worship and help us make a vital difference to their future.

Benefits include invitations to our various special events throughout the region, and receiving copies of our e- bulletins.

It's not just about saving bricks, but about saving layers of information and history for future generations to experience and enjoy.
